from you, and greedily squandered away! Send a message to the so-called representatives that, ~~the~~ since they have stopped listening to the people's demands and wishes, and they have forgotten that they are merely employees, that they are to be fired!

Take the power back for yourselves! Your political parties have consistently failed to execute your will, so you should now execute your membership! John F. Kennedy, a man I respect, had it wrong. "Ask not what your country can do for you, but what you can do for your country." That statement no longer applies. Now is the time to ask what your country can do for you, the employees.

You pay taxes, yes? Then that makes you all shareholders in this particular business venture. The CEO's of "America, Inc." are failing you, and your stock is falling at an incredible rate. It's time for you to start calling the shots.

Register as an independent. Register with no affiliation. I beg you. I implore you. Now is the time to elect, not a Democrat or a Republican, but an American. Now is the time to elect officials who confer with the American people, not their political parties, before they make a decision.

This is the only way that we can steer off of the ~~current~~ current crash course that we are on.

I hope you all take action soon. Take back the power that our founding fathers gave you.

I love my country.

God bless you all.
