## Correction to Rebuttal Statement

To Whom It May Concern:

I have discovered a typographical error in paragraph 6 of page 7 of the previously submitted rebuttal statement.

The passage in question currently reads:

Also we strongly object to the statement that LTC Leininger met with SGT Bishop from 1300-1400. The actual interview was for approximately 20 minutes, and was interrupted at points by LTC Leininger taking phone calls and text messages on his cell phone. At trial, under cross-examination, LTC Leininger stated that the interview was for one hour and that he did take phone calls. I reminded him that he was under oath, and he stated again on the record that SGT Bishop's version of events is not accurate.

The passage as corrected should read (with the added word underlined and in bold-face type):

Also we strongly object to the statement that LTC Leininger met with SGT Bishop from 1300-1400. The actual interview was for

approximately 20 minutes, and was interrupted at points by LTC Leininger taking phone calls and text messages on his cell phone. At trial, under cross-examination, LTC Leininger stated that the interview was for one hour and that he did **not** take phone calls. I reminded him that he was under oath, and he stated again on the record that SGT Bishop's version of events is not accurate.

We ask that this correction be added to the record.

Sincerely,
